## Preparatory class

### Intended for children:

- in the last year before school
- with postponed school attendance
- with an additional postponement of school attendance

The preparatory class is designed especially for children those parents who want their child to integrate seamlessly into the educational process from the first grade of elementary school to avoid any unsuccessful beginnings in school. In the preparatory class, we will prepare a foreign child to enter school.

### WHAT THE PREPARATION CLASS OFFERS?

- training takes place daily duration of four hours, i.e. 8:00 to 11:40 hours, once a week of five hours i.e. to 12:35
  - Children can enjoy meals in our school canteen after agreement also stay in a school club, which is open from 6:30 to 15:30 hours
  - Pre-school attendance is free of charge and is not included in compulsory education
  - A great advantage is the reduced number of children in the team, which allows working with pupils individually
  - children have a computer room, interactive whiteboard, gym, exercise room, relaxation rooms, snoezelen, art and workroom, playground, school grounds, information centre, school library
  - participate in cultural and sporting events, trips, etc..
- Children can go to school by bus to transport children within the city accompanied by a teacher/assistant teacher (at the request of parents)

### WHAT IS THE EDUCATIONAL AND EDUCATIONAL CONTENT OF THE PREPARING CLASS?

- creation of cultural and social and hygienic habits,
- intellectual education (divided into linguistic and communicative areas, mathematical concepts and knowledge development),
- Music,
- Art Education,
- Working Education,
- Physical Education.
